# White Rose Gaia

## Introduction

The White Rose Gaia Foundation is part of Skellig Michael foundation, a not-for-profit association whose objectives include funding pilgrimages, planetary healing and the creation of sacred healing water and oils.

The activities of the foundation are overlit by Metatron, Lord Melchizedek, Sananda, Our Lady and the Great White Brotherhood and the Sisters of the Rose.

The main focus of these activities is the healing of our planet Gaia, including the awakening of Humanity.

## Great White Brotherhood

The Great White Brotherhood are 5<sup>th</sup> Density and Higher beings in Christ Consciousness ie One with the Body of Christ. The highest levels are known as the Paradise levels and they are helping us find our way back hOMe<sup>14</sup>.

## Sisters of the Rose

The Sisters of the Rose existed in Atlantis thousands of years ago to anchor the Goddess energy. They later re-emerged in ancient Egypt as priestesses of Isis with the rose being a sacred symbol of Goddess Isis<sup>15</sup>. The Sisters of the Rose are now here to support our Ascension into the 5<sup>th</sup> (and higher) densities of Light.

<sup>14</sup> The Great White Brotherhood includes the Order of Melchizedek. The activities of the Melchizedeks are not widely known, but they are working for the benefit of Humanity. More details can be found in My Way Zen, a book written by Ocean Melchizedek.
